News From Unit 107

NEW MENTOR/MENTEE PROGRAM – The Friday night game is sponsoring a mentor/mentee program and combining it with Chalk Board Talks by Dick Early. There will be flyers with more complete rules available at all games. Non-Life Masters can be mentored by any Life Master. Life Masters and above can have a mentor with at least twice the master points of the mentee. Mentors may have more than 1 mentee. For mentor/mentee pairs playing any Friday night (IMP League is not included this year) it is ½ price (\$4 for the pair.) This program is to encourage everyone to better their game. If there are enough participants, there may be games devoted only to mentor/mentee pairs. The registrar for the program is Carolyn Sullivan. Special awards are being developed for the end-of the year (the year runs from October 1 to Sep 30). Sign up today.

LESSONS FOR DEVELOPING PLAYERS – This year Dick Early is changing the format of the lessons. It is now a Chalk Board Talk (will be held in the non-playing room) at 7 p.m. on designated dates. First night is October 20, everyone is invited to attend this “get that problem solved” with Dick’s direction. Dick will also have a problem hand or two to go over and there will be a procedure note for each Talk. Mentor – mentee pairs are urged to attend together to further their lessons and discussions . Future dates: Nov. 17, Jan 5, Feb 2, Mar 9 and Apr 6.
