ZERO TOLERANCE: Where Zero Tolerance is noted

at a game this is to assure a social climate that promotes enjoyable bridge for everyone present. Commendable behavior that should be followed is: 1) greeting others in a friendly manner; 2) Praising the play or defense of opponents (praise of partner should occur only when opponents are NOT at the table!) 3) Making your convention card readily available to opponents, 4) Doing everything possible to make bridge the incredibly enjoyable game we know it can be; 5) Being a good "host" or "guest" at the table. If there are new players anywhere near YOUR table please DO these commendable things even if they are not playing at your table. Get in the habit of following these 5 items and the game will be more enjoyable for everyone in attendance.
