## Akron Unit 107 Bridge

We've weathered an election, a turbulent transition, a unique inauguration; all the while sheltering in place from a pandemic that seems never-ending. We've learned how to play Bridge over the internet (and there are quite a few of us that really like doing so). And our Bridge world, once we get vaccinated, will probably never return to what it was; but assume a new, hybrid vibe allowing in-person play but also incorporating the conveniences and advantages of on-line games. I'm looking forward to this **'Brave New World'**.
